

Biodiversity and Conservation 3, 204–205 (1994)

Erratum

Stork, N.E. (1993) How many species are there? *Biodiversity and Conservation*. 2, 215–232.

On the following page we have reprinted a corrected version of page 219 of the above manuscript. We apologise that the original page was printed incorrectly. The last seven lines of the first paragraph of 'Extrapolation from samples' have now been changed.
