ERRATA

R. Christianson, R. Lufkin, W. Hanafec:
Normal Magnetic Resonance Imaging Anatomy of the
Tongue, Oropharynx, Hypopharynx, and Larynx
(Dysphagia 1:119–127)

The figure captions for Figures 6–9 were printed incorrectly.
Following are Figures with the correct captions:

Fig. 6. **A** Line drawing of sagittal larynx. **B** Line drawing of coronal tongue. 1, Thyroid cartilage; 2, cricoid cartilage; 3, arytenoid cartilage; 4, epiglottis; 5, hyoid bone; 7, vocal ligament; 8, aryepiglottic muscle; 9, thyroarytenoid muscle; 10, cricoarytenoid muscle; 11, postcricoid region; 12, paralaryngeal space; 13, ventricle; 14, false vocal cords; 15, pre-epiglottic space; 16, vocalis muscle; 18, trachea.

Fig. 7. Axial plane of larynx. **A** False vocal cord level. **B** True vocal cords. **C** Undersurface of true cords. **D** Mid-cricoid cartilage. **E** Upper trachea. 1, Thyroid cartilage; 2, cricoid cartilage; 3, arytenoid cartilage; 4, epiglottis; 6, strap muscles; 10, cricoarytenoid muscle; 11, postcricoid region; 14, false vocal cords; 15, pre-epiglottic space; 16, vocalis muscle; 17, esophagus; 18, trachea.

Fig. 8. A Mid-sagittal plane of larynx. **B** Paramedian sagittal plane of larynx. 1, Thyroid cartilage; 2, cricoid cartilage; 3, arytenoid cartilage; 4, epiglottis; 5, hyoid bone; 11, postcricoid region; 12, paralaryngeal space; 15, pre-epiglottic space; 18, trachea.

Fig. 9. **A** Coronal plane of posterior larynx. **B** Coronal plane of the mid-larynx. **C** Coronal plane of the anterior larynx. 1, Thyroid cartilage; 2, cricoid cartilage; 3, arytenoid cartilage; 4, epiglottis; 5, hyoid bone; 7, vocal ligament; 8, aryepiglottic muscle; 12, paralaryngeal space; 13, ventricle; 14, false vocal cords; 15, pre-epiglottic space; 18, trachea; 19, piriform sinus.
