Erratum on “Shear beam model for interface failure under antiplane shear (I)——fundamental behaviour”

SHEN Xin-pu

(College of Science, Northeastern University, Shenyang, 110006)

Due to the responsibility of the first author, Fig.1 in the paper entitled “Shear beam model for interface failure under antiplane shear (I)——fundamental behaviour”, published on Issue 2000, 21(11):1221 – 1228, is incorrect and correction should be made as follows:

Incorrect one:

Fig.1 Double-shear-plates bonded by cohesive layer

Correct one:

Fig.1 Double-shear-plates bonded by cohesive layer

By this chance, the author of the paper apologizes to Mr. Editors and readers for this error.
