ERRATA

In the paper by J. J. Fredberg, "Pseudo-Sound Generation at Atherosclerotic Constrictions in Arteries" in Volume 36, pp. 143–155, 1974, the following corrections should be made:

On page 148, five lines below equation (10), "zone" should be replaced by "zero".

On page 153, "constructed" should be replaced by "constricted" in the fifth line. In the third line from the bottom of the page, " $H/D \ll 1$ " should be replaced by " $l(\omega)/H \gg 1$ ".

In the paper by H. D. Landahl, "Note on Oscillations of Turbidity in a Precipitation Reaction System of Thyroxine" in Volume 36, pp. 601–604, 1974, the following corrections should be made:

On page 602, m in Figure 1 should be replaced by w . In equation (9), k should be replaced by k_w .

On page 603, m should be replaced by i in the last three lines of the page.
