CORRECTION TO
"THE LIKELIHOOD RATIO CRITERION AND THE ASYMPTOTIC
EXPANSION OF ITS DISTRIBUTION"

TAKESI HAYAKAWA

(This Annals Vol. 29, No. 3 (1977), pp. 359-378)

The expressions for the constants A_2 in (7) and A_{2w} in (13) are incorrect. The correct expressions are $A_2 = A_{2w} = 0$.

This fact is also noted in Cordeiro [1] and Harris [2].
