Erratum

Influence of Column Characteristics on Retention and Selectivity in RP-HPLC

by L. Szepeszy / V. Hádá

published in **2001**, 53, pp 99–108

In Figure 1 (a, b) the regression coefficients were printed incorrectly. Please find below the correct version of Figure 1 (a, b).

Figure 1. **a** Regression coefficients of the LSER equation increasing solute retention. **b** Regression coefficients of the LSER equation decreasing solute retention.
