CORRECTION TO
“ON UNBIASED ESTIMATION OF THE POPULATION VARIANCE
BASED ON THE STRATIFIED RANDOM SAMPLE”

KAZUMASA WAKIMOTO

In the above titled article (Ann. Inst. Statist. Math., 22 (1970), 15-26), the following correlation should be made.

(i) Page 15

(error)	(correct)
into subpopulations of size L	into L subpopulations

(ii) Page 19

We can prove equation (4.3) without the condition, of which we shall report in near future.
