Erratum

Calcif Tissue Int 39:166–170, V. Renugopalakrishnan et al., “Preliminary Studies of the Secondary Structure in Solution of Two Phosphoproteins of Chicken Bone Matrix by Circular Dichroism and Fourier Transform-Infrared Spectroscopy.” An error was made in the preparation of Figure 1, page 167. The correct figure is shown below.

Fig. 1. SDS-PAGE of two phosphoproteins eluted from two bands cut from a single preparative SDS-PAGE. Stained with Rhodamine B which is specific for phosphoproteins [11].
