Erratum

Calcif Tissue Int 40:119–125, B. P. Lukert et al., “Influence of Nutritional Factors on Calcium-Regulating Hormones and Bone Loss.” An error was made in Table 5, page 123. The correct table appears below.

Table 5. Significant regression coefficients

Group	N	Regression equation	r	P
Perimenopausal women	49			
Serum iPTH and 25-OHD		$y = .648 - .375X$	-.38	.01
BD and Ca:P diet		$y = .7142 - .0765X$	.29	.04
Elderly women	29			
Serum 25-OHD and diet D		$y = 13.05 + .080X$	.58	.001
Serum Ca and age		$y = 11.87 - .031X$	-.42	.025
Elderly women 5 yr follow-up	16			
ΔBD &: Serum 25OHD		$y = .039 - .003X$	-.60	.014
BDI		$y = .226 - .453X$	-.71	.002
Elderly men	35			
Serum 25-OHD and diet D		$y = 18.43 + .018X$	.61	.0001
Serum iPTH and 25-OHD		$y = 1.018 - .676X$	-.43	.04
Serum iPTH and P		$y = -.240 - .387X$	.59	.01

BD = absolute change in bone density, BDI = initial bone density measurement during the first study, ΔBD = change in bone density
