ERRATUM

In E. P. Velicheva and A. A. Suz'ko "Exact solutions of the nonstationary Schrödinger equation" (Vol. 115. No. 3, June, 1998) on page 690 equations (21) and (26) should be

$$H(t) = h(x) \begin{pmatrix} 1 & 0 \\ 0 & 1 \end{pmatrix} + \bar{\Omega}(x) \begin{pmatrix} \cos \bar{\theta}(x) + \frac{\omega}{\bar{\Omega}(x)} & \sin \bar{\theta}(x) e^{-2i\omega t} \\ \sin \bar{\theta}(x) e^{2i\omega t} & -\cos \bar{\theta}(x) - \frac{\omega}{\bar{\Omega}(x)} \end{pmatrix} = h(x) \hat{I} + \mathbf{B}(t, x) \cdot \boldsymbol{\sigma}, \quad (21)$$

$$H(t) = \left(\hat{p}_x^2 + \frac{V_{11}(x) + V_{22}(x)}{2} \right) \hat{I} + \begin{pmatrix} \frac{V_{11}(x) - V_{22}(x)}{2} + \omega & V_{12}(x) e^{-2i\omega t} \\ V_{21}(x) e^{2i\omega t} & -\frac{V_{11}(x) - V_{22}(x)}{2} - \omega \end{pmatrix}. \quad (26)$$
