ERRATUM

The following change should be noted for the following manuscript published in *In Vitro Cellular & Developmental Biology--ANIMAL*, Vol. 29A, No. 6, June 1993, pages 456-460.

Botulinum Toxin A Inhibits Acetylcholine Release from Cultured Neurons In Vitro.
Prabhati Ray

Page 456, Right Column, Line 10

"diated unstimulated release of [³H]noradrenaline to less than 20%" should be replaced with "diated stimulated release of [³H]noradrenaline to less than 20%".
