Correction to *Met. Trans. B*, 1979, vol. 10B

The Use of Gas-Generating Mold Coatings for the Grain Refinement of Aluminum by A. M. M. Nazar, N. L. Cupini, M. Prates, and G. J. Davies

Page 209, Fig. 12

The caption for Fig. 12 was incorrect. The correct caption is as follows:

Fig. 12—Two ingots cast into 20 mm width steel molds. The left-hand ingot had hexachloroethane in the mold wash on the *bottom* half only. The right-hand ingot had hexachloroethane in the mold wash on the *top* half only.
