### Preliminary announcement, "6<sup>th</sup> Indo-Pacific Fish Conference"

The 6<sup>th</sup> Indo-Pacific Fish Conference will be held in Durban, South Africa in 2001, the provisional dates being 20<sup>th</sup> to 25<sup>th</sup> May 2001. Planned symposia and/or workshops include the pelagic, deep-sea, chondrichthyan, larval, coastal and marine aquarium fishes as well as the conservation of Indo-Pacific fish diversity. The first announcement and call for papers will be sent out later this year. Those who are interested in attending the conference are welcomed to send your name and e-mail address to the local convenors. Any ideas or suggestions are also welcomed.

For more information, contact Dr. Lynnath BECKLEY (Oceanographic Research Institute: e-mail <sea-world@dbn.lia.net>).

### International Symposium

An international symposium will be held at Pacifico Convention Plaza Yokohama, Yokohama City, Japan, on 1–5 October 2001, to commemorate the 70<sup>th</sup> anniversary of the founding of the Japanese Society of Fisheries Science. Paper session topics include fisheries sciences such as resources management, environment and conservation, aquaculture, molecular genetics, and post-harvest technology. Papers for presentation will be selected among applicants based on

the contents of a basic abstract, which should be submitted to the Secretariat not later than 30 September 2000.

For more information about the symposium, contact Dr. Toshiaki OHSIMA, Symposium Secretariat, Tokyo University of Fisheries, 4–5–7 Konan, Minato-ku, Tokyo 108–8477, Japan; fax: 81–3–5463–0627; e-mail: <symp70yr@tokyo-u-fish.ac.jp>.
