PACS 03.40 – Classical mechanics of continuous media: general mathematical aspects.
PACS 93.10 – Errata.

In the *Erratum* published in *Nuovo Cimento B*, **107**, 361 (1992), instead of «nonrotational», there was printed «nonirrotational» just as in *Nuovo Cimento B*, **106** (1991) on page 237.

The author would like to thank Łukasz A. Turski for many fruitful discussions about this point.
