Daughter Poles in Reggeized Helicity Amplitudes at $s = 0$.

S. R. COSSLETT

*Palmer Physical Laboratory, Princeton University - Princeton, N. J.**(Nuovo Cimento, 66 A, 57 (1970))*

Page 98, equation (A-III.13). On the right-hand side, for j read $j + 1$.

Page 98, line 3. For «substitution $\nu \rightarrow \nu + 1$ in (A-I.10) is » read «substitutions $\nu \rightarrow \nu + 1$ and $j \rightarrow j + 1$ in (A-I.10) are ».
