AN APOLOGY FOR MISSING PAGES

The October 1986 issue (v.21, n.5) of GASTROENTEROLOGIA JAPONICA has pages missing in some copies. It has been ascertained by checking that one leaf (p. 449-450) is missing in approximately 150 copies.

The subscribers are kindly requested to accept an apology for the error and inform to the Secretariat of the Japanese Society of Gastroenterology if they find a copy with missing pages. A complete copy will be supplied immediately.

CORRECTION

Due to an error of the final check of printing, the following correction must be made.

Original Article: Lymphoid Cell Subsets in Normal Human Small Intestine
by Mitsuro Chiba, M.D., et al.

Volume 21, No. 4, August 1986

Page 339

Photographs should be changed each other in Photos 2 and 3.

IMPORTANT

"Instructions to Authors" for GASTROENTEROLOGIA JAPONICA will be revised from the first issue of Volume 22.
