Errata-Corrige.

Owing to a regrettable omission in sending proofs to the author, in the articles of Dr. A. L. MACKAY:

(I) *Recent Soviet Work in the Field of Crystallography*,

(II) *Crystallography in Eastern Europe*,

published in the n. 4 of *Supplemento* to Vol. X, Series IX, 1953, of *Il Nuovo Cimento*, respectively at pag. 387 and pag. 415, several errors have been left of which hereafter the correction is given, with our apologies to author and readers.

Article (I)
