ERRATUM

The editors apologize for the wrong arrangement of aerial photographs in Fig. 2 and Fig. 3 in the recent publication KUBÍN P. & MELZER A.: Chronological relationship between eutrophication and reed decline in three lakes of Southern Germany. *Folia Geobot. Phytotax.* 32: 15-23, 1997.

The correct legends of the figures are as follows:

Fig. 2. The increase of population density in a declining reed habitat on the west shore of Lake Ammersee (near Utting) documented by aerial photographs from 1956 (middle), 1961 (bottom) and 1987 (above), from RÜCKER (1993). Photographs supplied by courtesy of Bertram Luftbild, Haar b. Munich. Photograph above from SCHUBERT & BARTH (1987), with permission.

Fig. 3. The increase of population density in a declining reed habitat on the west shore of Lake Ammersee (near Holzhausen) documented by aerial photographs from 1963 (bottom) and 1988 (above). Photographs supplied by courtesy of PHOTOGRAMMETRIE Ltd. Company, Munich and LfU (Landesamt für Umweltschutz Bayern), with permission.
