Erratum

In the article, "Deep NITROC Treatment—A New Nitriding Process to Improve Fatigue Life of Crankshafts," published in *Journal of Heat Treating*, Volume 4, Number 4, December 1986, the coauthors' addresses were inadvertently transposed. Dr. Gordon H. Walter is with the J. I. Case Company, Hinsdale, IL, and Dr. Hans Michalek is with the J. I. Case Company, Neuss, Germany. We regret the error.
