Erratum

Masaki Kokubo, Michihide Mitsumori, Chikako Yamamoto, Satsuki Fujishiro, Keiichi Mise, Hiroshi Kodama, Yasushi Nagata, and Masahiro Hiraoka. Regarding the article "Impact of Boost Irradiation with Surgically Placed Radiopaque Clips on Local Control in Breast-Conserving Therapy", *Breast Cancer* 8:222-228, 2001, Fig 1, on p224, is incorrect. The authors apologize to all readers. The correct figure is presented with the correct legend written below.

Fig 1. Location of four surgically placed radiopaque clips around the resected margin in wide excision. The black area indicates the main tumor, and the circular line indicates the surgical margin of wide excision. The distinguishable clips are located at A, B, C, and D: two middle sized clips at A, one middle sized clip at B, two small sized clips at C, and one small sized clip at D.
