Correction

In the article by J. Meisner, K.R.S. Ascher and F. Assi "Effects of some benzoylphenyl ureas on *Earias insulana* eggs of different age," *Phytoparasitica* 15(2): 91-96 (1987), in the list of the formulae (top of page 93), penfluron should be **(III)**, **PH 60-44** (and not as printed).
