CANADIAN ANAESTHETISTS' SOCIETY

1967 "EXPO" MEETING

The 1967 meeting of the Canadian Anaesthetists' Society will be held in the Sheraton Mount Royal Hotel, Montreal, June 25-30.

HOTEL RESERVATIONS

Those intending to stay in the hotel should make their reservations direct with the hotel as soon as possible as the number of rooms set aside for the society is not excessive.

ALTERNATIVE ACCOMMODATION

Further accommodation will be organized in the residences of members of the Quebec Division. Should space not be available in the hotel, will you please address inquiries to Dr. G. Fred Brindle, Secretary-Treasurer, Quebec Division, Montreal Neurological Institute, 3801 University St., Montreal 2. Please state number in party, and if accompanied by children, state their sex and age.

CHILDREN'S PROGRAMME

A programme is being arranged for the care and entertainment of children on Tuesday, June 27, and Thursday, June 29, 9 A.M. to 6 P.M. Those who wish to take advantage of this opportunity may write to the secretary-treasurer of the Quebec Division, Dr. G. Fred Brindle, stating the names and ages of the children who will be accompanying them. Dr. Brindle will forward this information to Dr. Marcel Boulanger whose committee will be looking after the details. It is hoped also to organize a pool of baby sitters. Those who require this aid should send their request to the secretary as soon as possible, in order to give us the best chance to arrange an efficient service.

PLACE DES ARTS

As Thursday evening is an open night it is suggested that some members, their wives, and possibly their children might like to visit the Place des Arts where in all probability the Covent Garden Ballet will be performing. Those members who wish to make reservations are asked to write to the secretary so that tickets may be reserved; please state stalls (*parterre*), Dress Circle (*Corbeille*), mezzanine, or balcony. It is our understanding that tickets purchased in advance may be returned up to two weeks before the event.

SOCIAL ACTIVITIES

The following is an outline of the social aspects of the meeting. It is realized that most members will wish to spend some time at the Exposition; this principle has guided us in making arrangements.
