In the article “A Nonradiative Approach to Single-Mode Dielectric Resonators” by G. Annino et al. (Applied Magnetic Resonance **24**, 157–175, 2003) on page 161 the sixth and the seventh column in the matrix **M** were not correct. Their correct version should read:

$$\begin{array}{ll}
 0 & 0 \\
 -N_n(q_{H2}r_1) & 0 \\
 \varepsilon_{p2} \frac{\mu_2 k_0 n}{q_{H2}^2 r_1} N_n(q_{H2}r_1) & 0 \\
 & 0 \\
 \mu_2 \frac{k_z}{q_{H2}} N'_n(q_{H2}r_1) & -H_n^{(1)}(q_0 r_2) \\
 & 0 \\
 0 & -\varepsilon_3 \frac{k_z}{q_0} H_n^{(1)'}(q_0 r_2) \\
 N_n(q_{H2}r_2) & \\
 \varepsilon_{p2} \frac{\mu_2 k_0 n}{q_{H2}^2 r_2} N_n(q_{H2}r_2) & -\varepsilon_3 \frac{\mu_3 k_0 n}{q_0^2 r_2} H_n^{(1)}(q_0 r_2) \\
 & \\
 \mu_2 \frac{k_z}{q_{H2}} N'_n(q_{H2}r_2) &
 \end{array}$$
