Erratum

In the article “Interpretation of Multifrequency Transient EPR Spectra of the $P_{700}^+A_0Q_K^-$ State in Photosystem I Complexes with a Sequential Correlated Radical Pair Model: Wild Type versus A_0 Mutants” by K. M. Salikhov et al. (Applied Magnetic Resonance 24: 467–482, 2003) on page 469 the second sentence of section 2 and the upper display were incorrect. Their correct version should read:

In a second step charge separation is stabilized by a subsequent electron transfer to the quinone acceptor Q_K and then to a series of $[Fe_4S_4]$ centers. The photoreaction sequence is:
