ERRATA

Journal of Endocrinological Investigation, Vol. 27, Suppl. to no. 6: Communication and elaboration of information in the central nervous and endocrine systems

Page 3: "During this time, he established a strong scientific collaboration and an intense, long-lasting personal friendship with Aurelio Bairati, a pioneer in the ultrastructural investigation of the central nervous system."

"Aurelio Bairati" was mistakenly quoted. It should read "Angelo Bairati" instead.

Journal of Endocrinological Investigation, Vol. 27, no. 7:

Pag 683: In the article "Cortisol, depression and reduced cortico-cortical cross-talk in Cushing's syndrome", the name of the author H.P.F. Koppeschar was mistakenly quoted. It should be read "H.P.F. Koppeschaar" instead.
