Erratum to: Aequat. Math. 79 (2010), 229–235 DOI 10.1007/s00010-010-0024-3

In this article, the following changes should be made.

Condition (iii) in Theorem 5 is formulated incorrectly. It is vital to the understanding that it should read as follows:

(iii) *P contains no vertex V such that some three edges of P incident to V lie in a plane.*
