Erratum

In the recent review published in the journal (Adcock IM, Lee KY. Abnormal histone acetylase and deacetylase expression and function in lung inflammation. *Inflamm Res* 2006;55(8):311-21) the wrong set of figures was inadvertently submitted. Though not affecting the understanding of the article, these are the same as published in an earlier review (Adcock IM, Ford P, Barnes PJ, Ito K. Epigenetics and airways disease. *Respir Res* 2006;7(1):21). We regret this duplication of figures and apologise to readers for this.
