Erratum: Nonparametric Estimation about Species not Observed in a Random Sample

Alberto Gandolfi and C.C.A. Sastri

In [1], page 91, line 2 should be changed to

$$\hat{C}_{ACE} = 1 - n_1/n_{rare}.$$

page 96 line 4 should be changed to

$$E_T = \frac{T - N}{(n_1 + T - N)} \frac{(2n_1 + T - N)}{(T + n)}.$$

page 96 lines 10–13 should be changed to

therefore, rather surprisingly, $\hat{T}'_{G,S} = \hat{T}_{CL}(1)$, which is to say that our first estimator equals the Chao-Lee estimator with their estimated variance equal to 1. Although...

pages 101–102, Tables 6.1 and 6.2, row 2 column 1 should be changed to

$$T_{TG}$$
