DOI 10.1007/s00033-012-0256-2**

In equations (32), (33), (34), $\dot{\theta}$ should not appear in the right-hand side for the expression for $\mathfrak{e}$. The equations should read:

$$\mathfrak{e} = \beta_0^s \mathbf{1} + \beta_1^s \mathbf{T} + \beta_2^s \mathbf{T}^2 + \frac{1}{3} \alpha^s(\theta) \mathbf{1}. \quad (32)$$

$$\mathfrak{e} = \gamma_1^s(\rho, \theta, I_1, I_2, I_3) \mathbf{T}_d + \gamma_2^s(\rho, \theta, I_1, I_2, I_3) \mathbf{T}_d^2 + \frac{1}{3} \alpha^s(\theta) \mathbf{1}, \quad (33)$$

$$\text{tr} \mathfrak{e} = \alpha^s(\theta), \quad (34)$$
