Erratum to: Med Chem Res DOI 10.1007/s00044-012-9999-8

The original version of this article unfortunately contained few mistakes. Here are the corrections to it.

1. The correct title of the paper is as follows:

Three-dimensional quantitative structure–activity
relationship analysis of bis-coumarin analogues as
urease inhibitors

2. The spelling of bis-coumerine in the original published version is wrong; the correct spelling is bis-coumarin.
3. The name of a co-author, K. M. Khan is misspelled; the correct name is Khalid Mohammed Khan.
4. The affiliation of the co-authors, Zaheer-ul-Haq, S. Iqbal, K. M. Khan, Atta-ur-Rahman, M. Iqbal Choudhary is wrong; the correct affiliation is Dr. Panjwani Center for Molecular Medicine and Drug Research, International Center for Chemical and Biological Sciences, University of Karachi, Karachi 75270, Pakistan.
