Erratum to: Diabetologia
DOI 10.1007/s00125-009-1547-9

Unfortunately the α constant used in the CS_I equation was incorrectly stated in the Methods and Discussion sections as being 0.276, whereas it should have read 0.604. The correct α constant was used in all calculations, and so this mistake does not affect any of the results in the paper.
