Erratum to: Intensive Care Med (2012) 38:1868–1876 DOI 10.1007/s00134-013-2712-z

An incorrect dosage is given for intravenous pentobarbitone in line 8 of the paragraph headed “Instrumentation” on page 1869 of this article. The dosage administered was 8 mg/kg/h (not 0.14 mg/kg/h).

The authors sincerely regret this error.
