Erratum to: Intensive Care Med DOI 10.1007/s00134-015-4161-y

Due to an oversight in typesetting, as originally published the table forming part of Fig. 1 of this article contained an error: the term “IFN- γ ” in the bottom right cell of the table contained the letter “y” instead of the Greek letter “ γ ”. The article has now been corrected in this respect.
