Due to an unfortunate error there were mistakes in some of the equations.

1) All the equations of “ $I = [0, 2\pi]$ ” should be changed to “ $I = [0, 2\pi)$ ”.

2) The Eq. 16 should be as follows

$$\begin{aligned} AA_{AS_i} &= \left(\prod_{j=1}^n \left(AA_{P_j^i} \right)^{k_{P_j^i}} \right)^{\frac{1}{\sum k_{P_j^i}}} \\ &= \left(\prod_{j=1}^n \left(I - \bigcup_{k=1}^{j-1} CD_{P_j^i, P_k^i} \right)^{k_{P_j^i}} \right)^{\frac{1}{\sum k_{P_j^i}}} \end{aligned} \quad (16)$$
