Owing to an error in typesetting, the third sentence of this letter contained a false CI value. The correct version of the sentence is:

Updating this meta-analysis [2] with the latest data from the FREEDOM trial [1], the risk of serious infections remained significantly higher for the denosumab group [Mantel–Haenszel risk ratio (M–H RR)=1.26, confidence interval (CI)=1.01–1.57; $p=0.04$, $I^2=22.8\%$, Fig. 1].
