**Retraction to: Electrical Engineering (1997) 80 1–4
DOI 10.1007/BF01235662**

This paper has been retracted because it is to a large extent identical to paper “Page CH (1971) External Field of an Ideal Toroid. American Journal of Physics 39(9): 1039”. Unfortunately, the author could not be found for a statement.

The online version of the original article can be found under
doi:[10.1007/BF01235662](https://doi.org/10.1007/BF01235662).
