Dr. Slama asked us to publish the following statement concerning Morfeld (2009a), Slama et al. (2009) and Morfeld (2009b) (this issue):

“The authors did not wish to reply, given Dr. Morfeld’s persistence in refusing to fill in the conflict of interest statement and in misleadingly quoting parts of the sentences of our publications.”

Morfeld P (2009b) Comment on Slama R, Cyrus J, Herbarth O, Wichmann H-E, Heinrich J (2009) A further plea for rigorous science and explicit disclosure of potential conflicts of interest. Arch Toxicol (this issue)
