Erratum to: Psychopharmacology (2009) 205:73–84 DOI 10.1007/s00213-009-1516-5

The original version of this article unfortunately contained a mistake. The graph from Figure 1 was also used for Figure 2.

The correct image for Figure 2 is shown below.

Fig. 2 Startle magnitudes in the unpredictable versus neutral contexts reflecting context FPS. *Error bars* are standard error of the mean. *Pla* placebo, *Alp* alprazolam, *Dip* diphenhydramine, *Prg* pregabalin

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00213-009-1516-5>.
