The authors have found an error on the *x*-axis of Fig. 4 of the above article. Please find the correct Fig. 4, with the corresponding caption, below.

Fig. 4 Binding results obtained on reloading 0.2 mmol L^{-1} 2-apy in CHCl_3 , ACN, and MeOH on to MIP and NIP for each polymer composition (refer to Table 1). Data are based on average values from analyses performed in triplicate
