Erratum to: Anal Bioanal Chem
DOI 10.1007/s00216-009-2773-1

The authors have indicated that there is a mistake in Table 1 of this contribution. The molecular weights listed were incorrectly paired with the carbamate analyte listed for each. Please find the corrected table below.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00216-009-2773-1>.
