The article was published in Vol. 395, issue 4, on pages 877–891. Recently, the authors became aware that Regulation (EEC) no. 2377/90 was repealed by Regulation (EC) no. 470/2009.

The correct version of the first row of Table 1 on page 879 is given here:

Table 1 Main legislative documents of the EU (in chronological order)

Document	Title	Field	Reference
Regulation (EC) no. 470/2009	Laying down Community procedures for the establishment of residue limits of pharmacologically active substances in foodstuffs of animal origin	Maximum residue limits	[31]

Also, in the text on page 880 three corrections need to be made:

Line 2: incorrect: 2377/90, correct: 470/2009.

Line 23: “or Annex IV of Regulation 2377/90” should be deleted.

Line 43: “Regulation 2377/90 and” should be deleted.

The correct reference 31 should read:
