Unfortunately, during the production of this article a mistake occurred in the representation of the $\text{N}^+-\text{H}\cdots\text{N}^-$ hydrogen bonds in the section ‘Hydrophobicity of stearylamine’ of this contribution. They should correctly read: $\text{N}^+-\text{H}\cdots\text{N}^-$.

In the ‘*General aspects*’ section as part of the ‘Comparison of binding potency data’ section the word orthorhombic was misspelled.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00216-010-3969-0>.
