Erratum to: Analytical and Bioanalytical Chemistry
DOI 10.1007/s00216-013-6781-9

The authors should like to call your attention to the fact that unfortunately the reference in the following sentence in the discussion was incorrect:

“Alonso et al. obtained good reproducibility for analysis of a mixture of ten aromatic compounds with sampling flow rates of 15 mL/min using NTDs packed with Tenax and with flow rates of 5 mL/min using Carbopack X as sorbent [9]”.

The citation [9] here should be replaced by the following reference:

Alonso, M., et al., *Needle microextraction trap for on-site analysis of airborne volatile compounds at ultra-trace levels in gaseous samples. Journal of Separation Science*, 2011. 34(19): p. 2705–2711.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00216-013-6781-9>.
