**Erratum to: Exp Brain Res 211(2):251–263
DOI 10.1007/s00221-011-2681-4**

There was a mistake in the title of this paper as originally published. It read “oVEMPs” instead of “oVEMP”, which makes it more difficult to find on PubMed. The title should read:

“Direction-dependent excitatory and inhibitory ocular vestibular-evoked myogenic potentials (oVEMP) produced by oppositely directed accelerations along the midsagittal axis of the head.”

The online version of the original article can be found under doi:[10.1007/s00221-011-2681-4](https://doi.org/10.1007/s00221-011-2681-4).
