Erratum to: Exp Brain Res (2012) 221:351–355
DOI 10.1007/s00221-009-1982-3

Unfortunately, this paper represents the inadvertent republication of a paper already published in *Experimental Brain Research* in 2009. This inadvertent double publication resulted from a technical error in Springer's content management system.

The original article, identical to this one, was published in *Experimental Brain Research* in Volume 199, Issue 1, pp 89–93, in 2009. Please always cite this original version in all future work.

The online version of the original article can be found under doi:[10.1007/s00221-009-1982-3](https://doi.org/10.1007/s00221-009-1982-3).
