Tenosynovitis caused by *Pyracantha coccinea* thorn injury of the hand

Published online: 3 July 2001
© Springer-Verlag 2001

Eur J Plast Surg (2000) 23:214–216

In the above article unfortunately the wrong key words were published.

The correct key words are: Tenosynovitis – Thorn injury – Fire thorn – *Pyracantha coccinea*.

We sincerely apologize for this error.
