Correction to: Microb Ecol (2017)

<https://doi.org/10.1007/s00248-017-1014-y>

The original version of this article unfortunately contained mistakes in the first author's name and the running page headers.

The spelling of Dr. Fonseca's first name should read "Eduardo da Silva" instead of "Eduardo da Siva". While in the running authors, it should have been "Fonseca et al." instead of "da Silva Fonseca E. et al". The original article has been corrected.

The online version of the original article can be found at <https://doi.org/10.1007/s00248-017-1014-y>.
