Erratum to: Eur Biophys J
DOI 10.1007/s00249-010-0585-z

The last line before the Result section was published with errors. The corrected sentence is given here:

“In these calculations the total number of projections per unit length was fixed, $\Theta_M = \Theta_M^W = 60.48$, $\Theta_H = \Theta_H^W = 48.56$, while Θ_L and Θ_α were varied.”
