Erratum to: A hydrodynamic view of the first-passage folding of Trp-cage miniprotein

Vladimir A. Andryushchenko^{1,2} · Sergei F. Chekmarev^{1,2}

Published online: 31 March 2016
© European Biophysical Societies' Association 2016

Erratum to: Eur Biophys J (2016) 45:229–243 DOI 10.1007/s00249-015-1089-7

In the original publication of the article, the sentence in the fourth line of the first column in page 240 is incorrect. The correct sentence should read:

“This value is close to the Han and Schulten (2013) results (approximately 90 %) and in general agreement with the Juraszek and Bolhuis (2006) finding (80 %).”

Similarly, the last sentence in the first column of page 241 should read:

“The folding flow streamlines, which divide the total flow from the unfolded to native state into stream tubes, have shown that approximately 90 % of the flow follow pathway I, which is close to the Han and Schulten (2013) results (approximately 90 %) and in general agreement with the Juraszek and Bolhuis (2006) finding (80 %).”

In reference Mou et al. (2014), the journal title is incorrect. The reference with correct journal title should read:

Mou L, Jia X, Gao Y, Li Y, Zhang JZ, Mei Y (2014) Folding simulation of Trp-cage utilizing a new AMBER compatible force field with coupled main chain torsions. J Theor Comput Chem 13(04):1450026
