Erratum to: Appl Microbiol Biotechnol
DOI 10.1007/s00253-012-3903-9

The original publication of this paper unfortunately contained an error during copyediting. In line three of the Abstract section, the correct sentence must read:
The two lipases with the highest identity are a lipase from *Sporisorium reilianum* and the prototypic CAL-A.

The online version of the original article can be found under
doi:10.1007/s00253-012-3903-9.
